

BRUSH PRAIRIE JANUARY 2021 CHURCH SCHEDULE

We will continue with the 4 groups. Young folks are encouraged to attend every Sunday.

The church attendance groups are by last name:

GROUP 1: A – Hal

GROUP 2: Ham – Lin

GROUP 3: Lip – R

GROUP 4: S – Z

JANUARY CHURCH SCHEDULE

	UPSTAIRS	BASEMENT
1/1	GROUP 3	GROUP 2
1/3	GROUP 1	GROUP 4
1/10	GROUP 2	GROUP 3
1/17	GROUP 4	GROUP 1
1/24	GROUP 3	GROUP 2

As a reminder – please err on the side of caution: If you think you or someone from your family or household have been exposed to COVID please stay at home and listen through the phone patch.

The Brush Prairie board has put together a return to church plan with limited capacity in accordance with the phase 2 Religious Organization Covid-19 Requirements. In order to comply with this, we have created four small groups using the Christian's last names. These are in accordance with the current state guidelines and may change as we receive future guidance from the state in the future.

Before attending a church service:

- Perform a health check of yourself and your children. Those with a fever above 100.4F or any other signs of illness should stay home for at least three days.
- You should stay home for 14 days if you have tested positive for COVID 19 or been in close proximity to a someone with a positive COVID test.

To minimize the spread of COVID infections or exposure at the church building:

- Members of the same household are encouraged to enter the Sanctuary at the same time so they can be seated together.
- Six foot spacing between members of different households is mandatory. Ushers will direct each household where to sit by filling the sanctuary from the front to the back and using a similar method for the basement. After the service the ushers will also direct the exiting so please remain seated until your bench is released.
- Please refrain from handshaking or embracing. Hand sanitizer stations will be in the lobby for use on arrival.
- Use the rear lobby doors for entering and exiting the sanctuary. Use the north door for entering and exiting the basement.
- Face coverings are required for anyone 5 years of age and older for both inside and outside while on church property. It is also recommended to encourage your younger children to wear them if possible. Face coverings need to remain on both inside and outside on the church grounds. This includes during singing.
- To spread out the arrival times Christians may begin arriving at 10:30 AM for the regular service
 - Those who are part of the organizational staff (preachers, song leaders, sound techs, ushers) for each Sunday are encouraged to include their families when attending.
- We ask that people self-monitor and stay home if they have any signs of illness or fever. Individuals at higher risk or otherwise uncomfortable attending in-person service are encouraged to continue attending services via the telephone patch.

- Church cleaning and disinfection of all areas in use will take place after each church event.
- Those seated upstairs during the service are encouraged to use the upstairs restrooms. For males this would be one of the single occupant restrooms in the two lobbies. For females, this would be the restroom in the nursery. Those in the basement should use the main basement restrooms. We will keep the portable toilets in the parking lot for the foreseeable future for use by the Sanctuary attendees.
- Those using the restrooms are asked to maintain a six foot distance from others within the restroom.
- In order to keep those seated upstairs and those in the basement separate, the nursery will only be available for those seated upstairs.
- Feel free to stay home and receive the phone patch if you are uncomfortable attending church at this time.
- Those individuals at a high risk due to advanced age or underlying health conditions and those in their households should consider staying home.

Lance Dallum is the COVID -19 Site Supervisor. He may be contacted to discuss specific setup arrangements and to coordinate with family representatives.

A copy of the COVID 19 Exposure Control, Mitigation and Recovery Plan for OALC Brush Prairie is posted on the bulletin board in the church lobby. Please contact a local board member if you have any questions about the church reopening plan.
