

COVID-19 Notice

The Old Apostolic Church of Lake Norden is using published public health guidelines to help slow the spread of COVID-19.

- We have had confirmed positive cases in the building. We have coordinated with the South Dakota Department of Health in our response.
- We are adjusting our practices as the local level of transmission changes, including limiting occupancy as needed.
- Pews are arranged to maintain physical distancing between family units. Ushers are available to assist with seating.
- Please do not enter the building if you are ill or have recently been ill.
- If you have been exposed to COVID-19 please stay home until 14 days after your last exposure.
- If you are considered “at risk” according to public health guidelines we recommend you not attend.
- Hand sanitizer stations are provided at the entrances, please sanitize as you enter.
- Face masks are encouraged but not provided.
- Signs encouraging good hygiene practices are posted on the doors.
- To remain in compliance with health guidelines we will need to know if confirmed cases have been in the building. Please contact Chairman Ryan Kysar if this occurs.
- Additional changes are sent to our regular members through a call list. Contact the Spokesman listed on the website with questions.
