Returning to Church Plan

Updated 5-11-21

The Board of Trustees has put together a return to church plan which includes capacity limitations in accordance with the Phase 3 Religious Organization Covid-19 Requirements. To comply with these requirements, only smaller groups will be able to attend each Sunday. Attendance will continue to be on a rotational basis. Attendance for weddings and funerals are limited to a maximum of **50%** of the seating capacity of the church building.

Members of the same household are encouraged to enter the sanctuary or dining area at the same time so they can be seated together. Ushers may direct each household where to sit, filling the sanctuary first and then the dining area. The Christians are encouraged to spread out arrival times to avoid congestion in the lobbies.

Use the main south lobby for entering the sanctuary. Use the north lobby for entering and exiting the dining area. The ushers will provide directions. For those seated in the sanctuary, please use the south restrooms if possible. For those seated in the dining area, please use the north women's restroom and kitchen restroom for the men if possible.

Attendance is divided into **2 groups** based upon last names and will follow the schedule below. This schedule may be adjusted from time to time so check back frequently!
